Re: Form 1095-C for the 2025 tax year

Based on recent IRS guidance (Notice 2025-15 and 2025 Instructions for Form 1095-C), the IRS has significantly updated the rules regarding the mailing of Form 1095-C, allowing for an "alternative manner of furnishing" that eliminates the need to automatically mail forms to all employees, retirees, and COBRA participants.

Form 1095-C for the 2025 tax year is available upon request. To request a copy of your form, please contact Christine Davis at DavisChristine@KaneCountyIL.gov or call, 630-232-3559. Forms will be provided within 30 days of request. This notice will remain available through October 15, 2026.

Sincerely,

Christine Davis
