Newly Improved Kane County Fabyan Parkway Recycling Center Reopens Ahead of Schedule

Geneva-area facility resumes operations following driveway paving and site improvements

The Kane County Recycling Center at 517 E. Fabyan Parkway in Geneva **will reopen ahead of schedule** on **Monday, Nov. 9**, following driveway paving and other site improvements.

The center had been temporarily closed since Oct. 19 to accommodate the improvements, with reopening originally anticipated in mid-November.

The **facility is one of two** Kane County-operated "Electronics and More" recycling centers serving residents. The second location is at 900 Angle Tarn in West Dundee.

Both centers are open Monday through Friday year-round. No appointment is necessary.

For information about accepted materials, locations and hours, visit Kane County Recycling Centers.

NOTE: Previously scheduled pop-up events near the Fabyan Parkway Recycling Center have been canceled.

ALSO NOTE: Both Kane County Recycling sites will be closed on November 11 in observation of Veterans Day**.**
