

# Kane County Building Management Monthly Brief

June 2025

## New Chillers at the JC!

As we enter the dog days of summer, our staff and visitors in the Judicial Center (JC) will be cool and comfortable thanks to the replacement of end-of-life failed chillers. The installation of new air-cooled chillers will save on energy costs and water usage, in addition to maintaining building temperature, increasing air flow and improving air quality for everyone in the building.

## Reminder – Window Cleaning!

From June 2-14, "All Window Cleaning Services" will be cleaning windows in all Kane County Government buildings, weather permitting. Window sills need to be cleared of all items and blinds pulled up all the way for cleaning to take place. See your department heads for schedule and contact our Manager of Janitorial Services, Callie Ackland, at [acklandcallie@kanecountyil.gov](mailto:acklandcallie@kanecountyil.gov) for questions.

## What Others Say

*I'd like to bring awareness and attention to the fact that our building and maintenance folks are - I tip my hat to them because before I was about to call them they called me, and as they're monitoring everything that's going on in the county, how the air conditioning system feels here, they actually called us to say that there was a problem. So we're looking at ways to fix that.*

Dr. Monica Silva  
Kane County Coroner

## Help Us Help You!

Please submit maintenance requests through the Building Management Work Request system, FSI. You can find the FSI link on our internal page at web.Kane. This ensures your request is tracked and resolved efficiently. For urgent issues requiring immediate assistance, the help desk contact number is also available there.

## MEET OUR STAFF!

**Name:** Tony Passaglia

**Title:** Director of Building Maintenance

**Years at County:** Will be two years in August.

**Favorite Part of Job:** I am an actual geek when it comes to analyzing systems and processes. This job has allowed me the opportunity to be integral in the evaluation of existing processes and policies and the implementation of new ones.

**Favorite Movie/Book/Music/Vacation:**

My wife and I are outdoors people; we camp, hike, bike and canoe all over the country. When my wife and I need a "re-charge" vacation we are either walking the beaches of Lake Superior or the Gulf side of Florida. I am a lifelong lover of music and have studied piano, violin and clarinet. My favorite book genre would include all the works on Asimov and CS Lewis.

**Favorite Place to Visit in Kane County:** We really enjoy just walking the neighborhoods and the trails including the river trails and the St. Charles/Geneva downtown areas. My favorites would be the walks that take us to Cocoa Bean in the morning or Graham's Chocolate in the evening.
