

Dear Neighbor,

This letter is to inform you that I am filing an application for a Rezoning with the Kane County Development Department for the property located at 44W680 Beith Rd Maple Park 60151.

Project Description:

The purpose of this request is to rezone the currently vacant buildings and overgrown land to a Farming District classification. The intended use is a tree farm, which will include the indoor storage of tree farm and construction contracting equipment. This project will involve no new construction and will result in only light traffic and occasional farm equipment use.

Next Steps:

A public hearing will be held by the Kane County Zoning Board of Appeals to review this request. You will receive a formal notice from Kane County in the coming weeks identifying the specific date, time, and location of that hearing.

If you have questions regarding the nature of this proposal, you may contact me directly at 630-346-8762 or nealm54@sbcglobal.net. You may also contact the Kane County Development Department for more information regarding the zoning process.

Sincerely,
Neal Mejdrich
15N641 Red Leaf Rd
Hampshire, IL 60140
