RE: Reference for Riverside

To Whom It May Concern,

It is my pleasure to write this letter of recommendation on behalf of Riverside, who utilized our church facilities for their co-op gatherings for the academic years between 2015 and 2017.

Throughout their time with us, the leadership, parents, and students of Riverside consistently demonstrated respect, responsibility, and professionalism. They were excellent stewards of our space—always ensuring that classrooms, common areas, and equipment were left clean and in proper order after each use. Communication with their team was clear, timely, and thoughtful, making coordination effortless and enjoyable.

Beyond logistical excellence, it was also evident that Riverside fosters a nurturing, academically enriching environment for the children and families involved. Their mission aligns beautifully with values of community, integrity, and Christian fellowship, and it was a joy to witness that in practice each week.

We would gladly welcome Riverside back in the future and confidently recommend them to any church or organization considering a partnership or rental agreement.

If you have any questions or would like further details, feel free to contact me directly.

Sincerely,
