I support solar in Kane County!

Bob Kaplow
As a matter of fact, I am a rocket scientist!
NASA/JPL Solar System Ambassador
EV/Solar evangelist

*I can't believe the hatred and bigotry coming from neighbors, former friends, and even some family members.
I can't believe that our daughter now lives in a world with less rights and protections than we had.
I can't believe that we are STILL fighting the battles that we were fighting when we were young.
I can't believe what this country has turned in to.*
