PETITION FOR PRAIRIE GAS MART LIQUOR LICENSE

I am a resident of Aurora, Kane County, Illinois. I have been a customer of the liquor store at 1150 Prairie St., Aurora, Illinois.

I am supporting the business to continue to have a liquor license and remain open and continuing to sell liquor as it has done. Our neighborhood needs this business because of the convenience for the neighbors and for the benefits it adds to the community. There are other similar businesses throughout the County.

To Kane County

I Live At 220 LeGrande Blvd down the street.
It has come to my attention that my store has an issue with hours for Liquor Sales. I Believe it's In the Best Interest of our Community to Allow for the Extended hours Liquor license.
Please Reconsider this since the county issued the Liscense. We have No other close options for late night groceries Beer, wine etc. This Business is Solid And I feel A Lack of Equity towards the owners. discrimination is obvious. Do not Do this
