Petition to Oppose Sunvest Solar Farm Project

We the undersigned, with properties in close proximity to the proposed Sunvest Solar Farm, (located at the Southeast corner of the intersection of Rohrsen and Rippburger Roads, Plato Township), are opposed to the proposed special use in the F-Farming District of this land (Sections 8.1-1 and 8.1-2). Allowing this special use will create a negative impact to surrounding property owners due to the lack of any prescribed setback or buffer in the recently amended special use approving solar utility farms the surrounding properties will suffer negative impact relative to aesthetics, ongoing drainage and flooding issues and ultimately lower property values.
