Subject: EX: Request to Withdraw Petition 4621 - TPE IL KN188, LLC

After further reviewing the Harter Road site (Petition 4621 - TPE IL KN188, LLC), we feel this project will not successfully complete permitting with the County.

I appreciate your time and effort in helping us advance this application, but I feel withdrawing it is best for all stakeholders.

Please let me know if any additional information is needed.

Thank you,
Scott
