

Start your Career in Land Surveying – We'll Train You!

Entry-Level Survey Field Technician

Are you looking for a hands-on career with great growth potential? Compass Surveying Ltd. is an industry leader in land surveying, dedicated to delivering high-quality services with precision and professionalism. Join our team as a **Full Time, Entry-Level Survey Field Technician** and gain valuable skills in the land surveying and construction industries. No prior experience required – just a strong work ethic and willingness to learn!

What You'll Do:

- Assist field crews with land surveys for construction, engineering, and boundary projects
- Learn to use survey equipment such as GPS units, total stations, and data collectors
- Learn how to read and interpret plans and maps
- Record and organize electronic survey data accurately

What We're Looking For:

- High school diploma
- Reliable, detail-oriented, and eager to learn
- Ability to work well in a team and follow instructions
- Comfortable with physical work and working outdoors in varying weather conditions
- Have the ability to carry survey equipment (up to 25 lbs.) across paved areas and plowed fields
- Be able to use hand tools and be able to pound stakes in the ground, dig holes, and clear vegetation
- Valid driver's license (required)
- Occasional overtime work and overnight travel

What We Offer:

- On-the-job training and mentoring
- Opportunities for career advancement
- \$20.00/hour
- Health, dental, and vision insurance
- Simple IRA plan with company match
- Supportive team environment
- Paid time off and holidays
